

Light up your ideas in the night sky with

DRONE LIGHT SHOWS

WHAT ARE DRONE LIGHT SHOWS

DRONE LIGHT SHOWS ARE THE COMBINATION OF DRONES PROGRAMMED TO FLY IN 3D SPACE TO MAKE IDENTIFIABLE VISUAL FORMS. TO DO THIS AN ANIMATION IS PREPARED BASED ON THE REQUIREMENTS OF THE CLIENT.

ECO - DESIGN

DRONE LIGHT SHOWS OFFER A MORE ECO-FRIENDLY ALTERNATIVE TO TRADITIONAL FIRECRACKERS.

IMMERSIVE EXPERIENCE

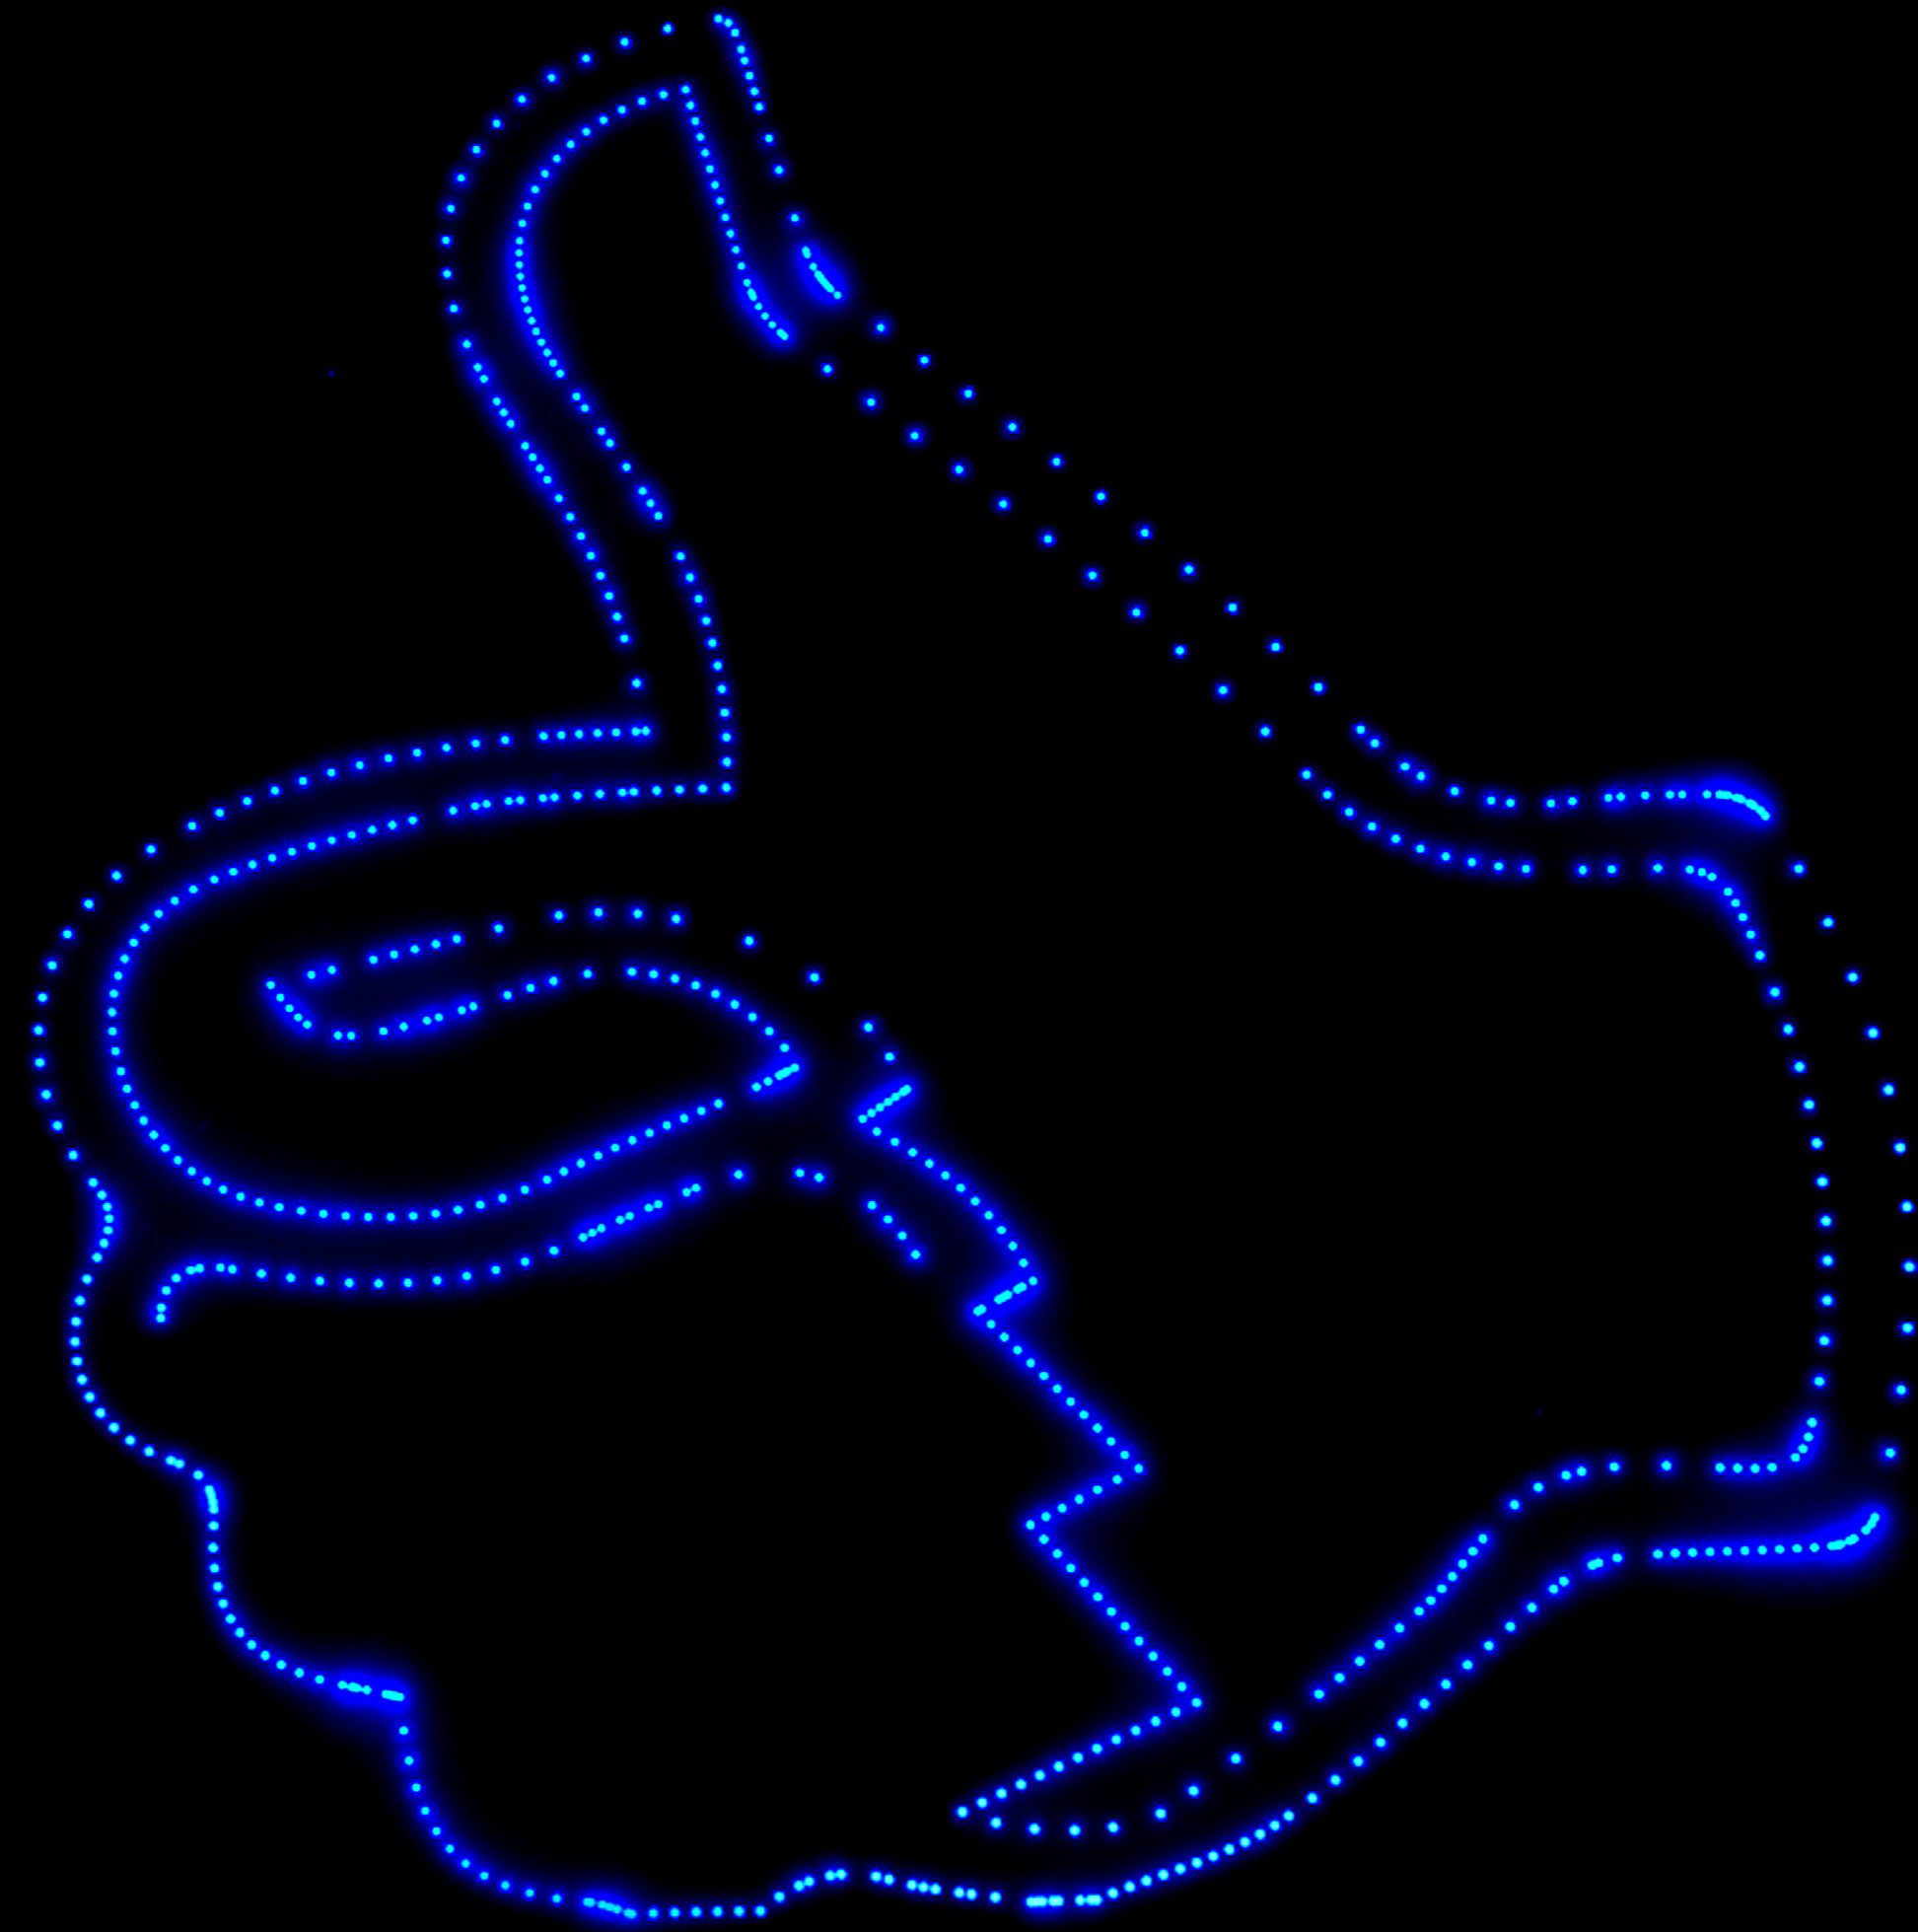

WE HAVE THE MOST PROFESSIONAL AND EXPERIENCED PILOT TRAINED STAFF FOR FLYING THE DRONE

SAFETY & PERMIT

WE TAKE CARE OF ALL THE LEGALITIES INCLUDING PERMITS AND ENSURE SAFETY DURING SHOWS.

SKILLED TEAM

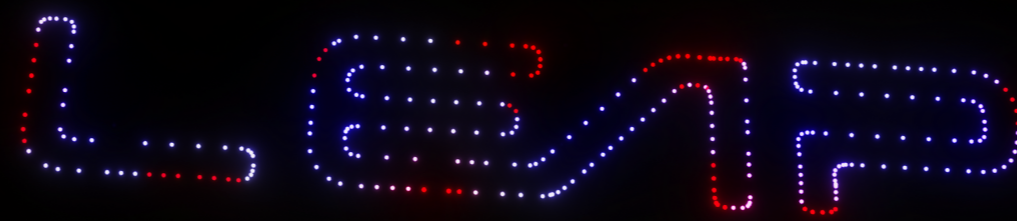

WE HAVE A SKILLED TEAM TO DESIGN A SHOW ACCORDING TO YOUR NEEDS.

We help you make an impact by presenting your story in the sky through multiple drones moving in creative formations.

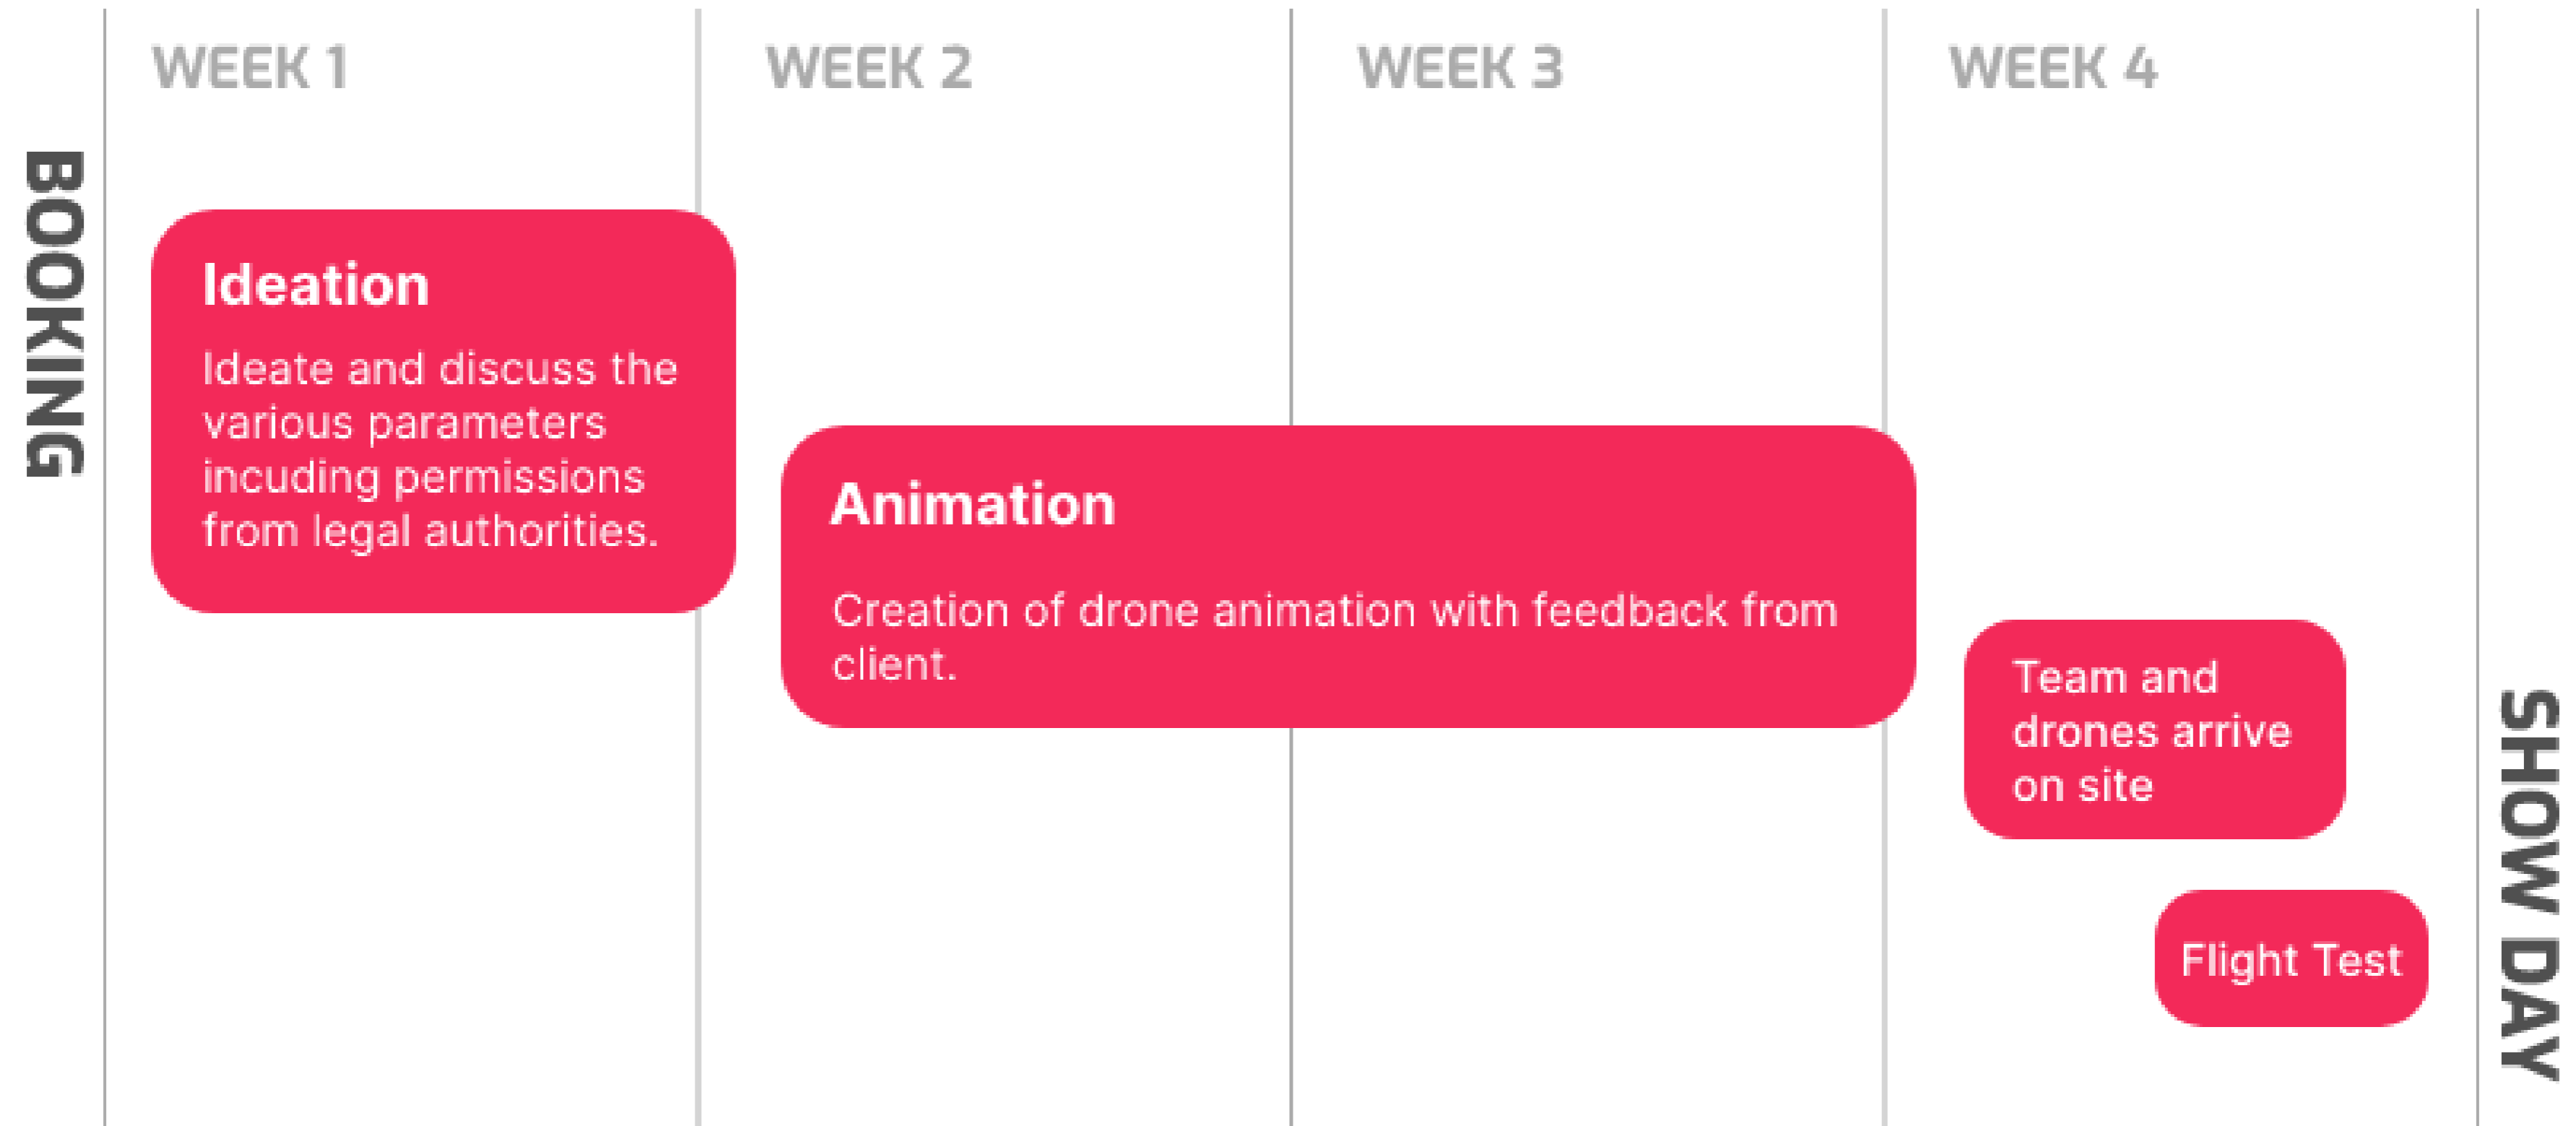

DRONE FLEET

At present, Leap Interactive has a fleet of 1000 drones and can perform drone light show anywhere in the world. We plan to increase it to 2500 drones just by the beginning of 2023. Stay tuned to see what's coming next.

TIMELINE

IT TAKES ONE MONTH TO PREPARE FOR A SHOW THAT INCLUDES IDEATION, DESIGNING THE ANIMATION, PERMISSION FROM LEGAL AUTHORITIES AND FLIGHT TESTING

Frequently asked Questions

: Is it legal to perform drone light shows in UAE/GCC?

For any Drone Light Show, the permit has to be taken from the local authorities. Once you book a show with us, we initiate the process of a permit with the local authorities.

: How much time does it take once I book the show?

It takes around one month to prepare for a drone show from the time of booking. Check out our detailed timeline above.

: How far can these shows be viewed?

This depends on the visibility on that particular day. On a day of good visibility, the show can be viewed from a distance of 1km.

: Where can drone light shows be performed?

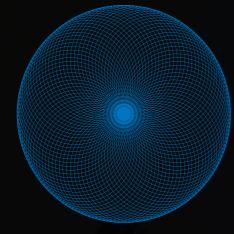

Drone Light Shows can only be performed in open fields and away from no-fly zones. Once you book a show with us our team will evaluate the show site.

A new world to explore for your
next marketing campaign

Drone show combines perfectly with laser and smoke effects
for dancing and
musical performances.

It is a great addition for sport and cultural events of any scale.
